█ Forthcoming talks

- 06/19/2023– **Homogeneous Dynamics and Geometry in Higher-Rank Lie Groups**, *IHES*
06/23/2023 *Le Bois-Marie*, Bures-sur-Yvette, France
Equidistribution of periodic tori
- 05/9/2023– **Conference Probability and Dynamics Thematic semester 2023 of the**
05/12/2023 **Centre Henri Lebesgue**, *Biological Centre of Roscoff*, Roscoff, France
Equidistribution of periodic tori

█ Participation to upcoming meetings

- 12/4/2023– **Renormalization and Visualization in Geometry, Dynamics and Number**
12/8/2023 **Theory**, *CIRM*, Marseille, France
Conference
- 09/11/2023– **Renormalization, computation and visualization in Geometry, Number**
09/15/2023 **Theory and Dynamics**, *CIRM*, Marseille, France
Workshop
- 7/10/2023– **Renormalization and Visualization for packing, billiard and surfaces**, *CIRM*,
7/14/2023 Marseille, France
Research School
- 4/25/2023– **Fabrikathon**, *Charlylab : IUT Charlemagne*, Nancy, France
4/27/2023 Workshop for making math-related objects
- 4/10/2023– **Anosov Dynamics**, *CIRM*, Marseille, France
4/14/2023 Conference

█ Past talks

- 03/21/2023– **Spring School in Geometry and Dynamics**, *Laboratoire Paul Painlevé*, Lille,
03/24/2023 France
Mini-course : Weyl chamber flow, dynamics and orbit counting
- 01/9/2023 **Spectra/Moduli seminar**, *University of Durham*, Durham, United Kingdom
Equidistribution of flat periodic tori
- 09/28/2022– **Journées de dynamique de l'IMJ**, *Paris Cité University*, Paris, France
09/30/2022 Equidistribution of flat periodic tori
- 09/14/2022– **Workshop 'Dynamics and Groups'**, *Swiss Mathematical Society Autumn Work-*
09/16/2022 *shop*, University of Zürich, Switzerland
Counting and equidistribution of flat periodic tori
- 07/18/2022– **Special session : Deformation of geometric structures**, *Joint AMS-SMF-EMS*
07/22/2022 *congress*, Grenoble, France
short contribution : Counting and equidistribution of flat tori

- 04/8/2022 **Geometry seminar**, *Laboratoire Paul Painlevé*, Lille, France
Comptage et équidistribution de tores plats
- 03/14/2022 **Geometry seminar**, *Institut Élie Cartan de Lorraine*, Nancy, France
Comptage et équidistribution de tores plats
- 03/04/2022 **Geometry seminar**, *IMB*, Bordeaux, France
Comptage et équidistribution de tores plats
- 02/24/2022 **Topology and dynamics seminar**, *LMO*, Orsay, France
Comptage et équidistribution de tores plats
- 02/03/2022 **Geometry, algebra, dynamics and topology seminar**, *UB*, Dijon, France
Counting and equidistribution of flat tori in higher rank
- 01/24/2022 **Ergodic theory Seminar**, *IRMAR (online in french)*, Rennes, France
Comptage et équidistribution de tores plats
- 12/5/2021– **Anosov 3**, *Mini-workshop*, Oberwolfach, Germany
12/11/2021 Topological mixing of positive diagonal flows
- 11/05/2021 **Geometry day in Creteil**, *LAMA*, Créteil, France
Equidistribution and counting of maximal flats
- 09/14/2021 **Geometry and dynamics seminar**, *LAREMA*, Angers, France
Équidistribution et comptages de plats maximaux
- 09/08/2021 **Hyperbolic dynamical systems and resonances**, *Conference organized by Colin Guillarmou*, Porquerolles, France
Equidistribution and counting of maximal flats
- 04/15/2021 **Séminaire francophone de groupes et géométrie**, *online*, BBB, in french
Mélange topologique des flots diagonaux positifs
- 10/29/2020 **Ergodic theory and dynamical systems Seminar**, *Bristol University*, Bristol, Great Britain
Topological mixing of the Weyl chamber flow
- 06/15/2020 **HORUS seminar in Strasbourg**, *IRMA*, Strasbourg, France
Mélange topologique des flots hyperboliques homogènes
- 02/14/2020– **Sophus Lie 2020**, *Universität Paderborn*, Paderborn, Germany
02/15/2020 Short talk : Topological dynamics of the Weyl chamber flow
- 11/25/2019– **Topological Mixing of the Weyl Chamber Flows**, *Paroles aux jeunes chercheuses et chercheurs en Géométrie et Dynamique*, University of Nancy, Nancy France
11/27/2019
- 11/11/2019 **Topological Mixing of the Weyl Chamber Flows**, *Ergodic Theory and Dynamical Systems Seminar*, University of Zuerich, Zuerich Switzerland
- 11/6/2019 **Topological Mixing of the Weyl Chamber Flows**, *Ergodic Theory and Dynamical Systems Seminar*, LAGA, University Paris 13, Villetaneuse France
- 10/14/2019– **The Top Lyapunov Exponent**, *Arbeitsgemeinschaft*, Mathematisches Forschungsinstitut Oberwolfach, Oberwolfach Germany
10/19/2019
- 10/08/2019 **Topological Mixing of the Weyl Chamber Flows**, *Spectral Theory Seminar*, University of Paderborn, Paderborn Germany

- 09/23/2019 **Dynamics of group action on homogeneous spaces of higher rank and infinite volume**, *PhD defense, IRMAR*, University of Rennes, Rennes
France
- 06/13/2019 **Topological Mixing of the Weyl Chamber Flows**, *Joint meeting of the ergodic theory teams of Brest and Vannes*, University of Brest and Vannes, Quimper
France
- 02/2019 - **Two talks on the Benoist limit cone**, *weekly meetings on Anosov Representations*,
06/2019 IRMAR, University of Rennes, Rennes
France
- 05/3/2019 **Topological Mixing of the Weyl Chamber Flows**, *Geometry Seminar in Nantes*,
University of Nantes, Nantes
France
- 02/7/2019 **Topological Mixing of the Weyl Chamber Flows**, *Geometry Seminar in Heidelberg*,
University of Heidelberg, Heidelberg
Germany
- 02/6/2019 **Some problems of dynamics in higher rank**, *Junior Geometry Seminar in Heidelberg*,
University of Heidelberg, Heidelberg
Germany
- 12/12/2018 **Topological Mixing of the Weyl Chamber Flows**, *Meeting of the ERC project IPPFLOWS*,
Université Paris 11, Orsay
France
- 04/9/2018 **Special PhD student session: Quelques problèmes en dynamique en rang supérieur**,
Séminaire de l'équipe de théorie ergodique, IRMAR, Rennes
France
- 02/1/2018 **Perturbations singulières: l'analyse géométrique de Fenichel**, *Journées Louis
Antoines*, IRMAR, Rennes
France
- 05/31/2018 **Séminaire des doctorants**, *IRMA*, Strasbourg, France
Exposé : Quelques problèmes en dynamique en rang supérieur
- 03/15/2018 **Surprise session: Comment jouer au ping-pong**, *Séminaire Pampers*, IRMAR,
Rennes
France
- 11/07/2017 **Marches aléatoires dans $SL(n, \mathbb{R})$ pour $n > 2$.**, *Séminaire des doctorants*, Labora-
toire Jean Leray, Nantes
France
- 10/26/2017 **Marches aléatoires dans $SL(n, \mathbb{R})$ pour $n > 2$.**, *Séminaire Pampers*, IRMAR,
Rennes
France

————— Past participation to meetings

- 11/23/2022– **Paroles aux jeunes chercheurs et chercheuses en géométrie et dynamique**,
11/25/2022 *LMO*, Orsay, France
GDR Platon
- 06/27/2022– **Marc Burger's Prime**, *ETH Zürich*, Zürich, Switzerland
07/1/2022 Conference celebrating Marc Burger's mathematics

- 01/10/2022– **Workshop on theta positivity, hybrid part**, Heidelberg, Germany
01/14/2022 winter school
- 12/12/2021– **Aussois 2020-2021**, *Paul Langevin center*, Aussois, France
12/17/2021 Winter school
- 06/21/2021– **Summer school in western Brittany in dynamical systems**, *GDR Platon*, Brest, France
06/25/2021
2/4/2021 **a hyperbolic day online**, *online*
Online conference
- 01/11/2021– **Topics at the interface of low dimensional group actions and geometric structures**, *online*, Singapour University, Singapour
01/15/2021
Online conference
- 12/7/2020– **Paroles aux jeunes chercheurs et chercheuses**, *online conference organised by IRMAR*, Rennes, France
12/9/2020
GDR Platon
- 08/3/2020– **Dynamics on your screen**, *online conference*
08/6/2020
- 07/8/2019– **Aspects of Geometric Group Theory**, *IHES*, Bures-sur-Yvette, France
07/19/2019 Summer School
- 06/27/2019– **Dynamics of Parabolic Flows**, *University of Zuerich*, Zuerich, Switzerland
07/5/2019
- 05/27/2019– **Dynamics of Group Actions**, Cetraro, Italie
05/31/2019
- 12/5/2018– **Borel seminar**, Les Diablerets, Suisse
12/07/2018 Topology and Dynamics in the Swiss Alps
- 06/11/2018– **Workshop**, *University of Luxembourg*, Esch-sur-Alzette, Luxembourg
06/14/2018 Workshop on pseudo-Riemannian geometry and Anosov representations
- june 2017 **Lebesgue Semester in Geometry and Dynamics**, *IRMAR, UBL, Leray*, Rennes, Brest, Nantes, France
